Objet : FFVL Support Bid 2017 world championship class 2.

M. CIVL President, Dear Stephane,

FFVL, the French Free Flight Federation, confirms its supports for the organization of the 20th FAI World Hang Gliding Class 2 Championship that would be held in Aspres-sur-Buech, France. A practice event is already scheduled in 2016, from July 29 to August 7. Proposed dates for the World Championship could be from July 24 to August 6 2017.

This World Championship will be organize our federation member, the A.D.P.U.L. association, and its president Jacques Bott. We strongly believe that both have capacity to organize a FAI First Category event, having already shown their expertise in organising FAI Second Category event. FFVL will give maximum support to the organizer, within its capabilities, to keep and raise established standards for FAI events.

With my best regards.

Jean-Louis Debiée  
President of Delta National Committee

Jean-Claude Bénintende  
President of FFVL
